Recommendations

All major political parties give tickets to candidates with cases of crimes against women especially rape and therefore hindering the safety and dignity of women as citizens. These are serious cases where charges have been framed and cognizance have been taken by the courts. Hence, political parties have been in a way abetting to circumstances that lead to such events that they so easily but vehemently condemn in Parliament'. ADR and NEW strongly recommends that:

- Candidates with a serious criminal background should be debarred from contesting elections.
- Political parties should disclose the criteria on which candidates are given tickets.
- Cases against MPs and MLAs should be fast tracked and decided upon in a time bound manner.
